PROFESSIONAL SUMMARY

BCA undergraduate at Dr. Hari Singh Gour University with hands-on experience developing responsive web applications using HTML, CSS, JavaScript and the MERN stack. Frontend Development Intern at CodeAlpha with practical project experience in interactive interfaces, localStorage persistence, responsive design and Git/GitHub workflows. Interested in building user-friendly web experiences and learning through project development and hackathons.

TECHNICAL SKILLS

Languages: Java, JavaScript, C, C++ (basic)

Frontend: HTML5, CSS3, responsive design, DOM manipulation

Backend / Data: Node.js, Express.js, MongoDB, EJS, localStorage, Leaflet / OpenStreetMap

Tools: Git, GitHub, VS Code, Render

EXPERIENCE

Frontend Development Intern — CodeAlpha | Oct 2026 – Present

Remote / Virtual Internship

- Built frontend internship projects including an interactive image gallery, a calculator interface and a personal portfolio using HTML, CSS and JavaScript.
- Implemented responsive layouts, theme preference and calculation-history persistence; used Git/GitHub to manage and share project code.

PROJECTS

Personal Portfolio Website | HTML5, CSS3, JavaScript, Git, GitHub

- Designed a responsive portfolio presenting profile, technical skills, education and projects in a clean, recruiter-friendly layout.
- Added screenshot-based project cards, light/dark theme switching, mobile navigation, typing animation, scroll-reveal effects and contact/resume access.

Wanderlust — Room Listing Platform | Node.js, Express.js, MongoDB, EJS, Leaflet, OpenStreetMap

Live demo: Live Website

- Developed a full-stack room-listing application to explore accommodation listings and view locations on an interactive map.
- Integrated Leaflet/OpenStreetMap for location visualization and deployed the application on Render.

Smart Calculator | HTML5, CSS3, JavaScript, localStorage

GitHub: GitHub Repository

- Built an interactive calculator with arithmetic operations, clear/delete controls, sign toggle, result copying and calculation-history access.
- Persisted calculation history and light/dark theme preference with localStorage and refined the interface for responsive use.

Image Gallery | HTML5, CSS3, JavaScript

GitHub: GitHub Repository

- Created a responsive gallery with category filters, image viewing/navigation and a visually focused image-card layout.

HACKATHONS & ACHIEVEMENTS

1st Runner-Up — Project-E-X Hackathon, **TechNavya** | 30 Jan — Collaborated with teammates on solution development and presentation.

Internal SIH Hackathon — Participated in a college-level internal hackathon and received a certificate of participation.

EDUCATION

BCA — Dr. Hari Singh Gour University | 2024–2027 | CGPA: 8.7

Class XII — Swami Atmanand Inter College, State Board | 2024 | 83.6%

Class X — Swami Atmanand Inter College, State Board | 2022 | 90.5%
